

Teachers wanted!

April 2021

Twin Cities Maker is looking for instructors to teach Turning, Cabinetry, Finishing, or any other wood working subject. Never taught a class...that's okay! Our organization is all about Making, Sharing, and Learning.

Woodworking classes are offered several times a week, where the instructor sets the fee for the class. See <https://tcmaker.org/classes/> for current classes being offered. Fees are typically \$20 to \$50 dollars per student, but can vary depending on the class. Instructors keep 75% of the fees collected, and normally TC Maker keeps the other 25%. *If Instructors are members of or referred by Minnesota Woodworker's Guild, TC Maker will donate 10% of the revenue from the classes taught back to the Minnesota Woodworkers Guild Tuition Grant Program!*

Please contact Events@TCMaker.org with your class ideas, and make sure to mention that you are a guild member!

Twin Cities Maker is a 501(c)3, non-profit, community workshop where members have 24/7 access to well-equipped woodworking and metalworking shop. It is located at:
