

The woodworkers source for domestic & exotic lumber!

Epilog Laser Demo Day!

You are cordially invited to join us March 16, 2019 from 9 AM to 3 PM as Midwest Solutions, local distributor for Epilog Laser in Minnesota conducts live demonstrations of this exciting technology at DLO! See engraving & cutting of wood and learn about the process. Create inlays for your projects, personalize products for your customers, build 3D structures, engrave trophies for your kids teams, make a statement with that special photo.

With your imagination, wood from DLO and an Epilog Laser from Midwest Solutions, the possibilities are endless!
