

North House Folk School is pleased to welcome

ANDERS LINDBERG

green woodworker & furniture maker

Anders Lindberg is highly renowned craftsman and teacher from the Gothenburg region of Sweden. He works primarily in greenwood, making innovative furniture and other items for the home using traditional techniques. He teaches courses for adults and children and has published two books on slöjd. Anders notes his particular love of green woodworking, which allows him to work be involved in the whole process, from tree felling to finished craft, work outside without saw dust, and use local wood. This is his first trip to North House.

Anders will teach two courses while he is at North House:

Green Wood Stool Building with Woven Seats

September 9 - 12

Green Wood Chair Making with Anders Lindberg

September 17 - 22
