

Semi-Retirement Sale

George at Wood Carvers Store & School is selling off the retail inventory and some his equipment and personal tools to focus more on making objects and things in wood. Come in to get your best prices on all carving tools, power carving accesories, books, and wood both dementional lumber and log pieces- domestic and exotic. Antique tools also available, including various wood and metal bodied planes. The decorative wood carvings, many carved by master carver Chris Effrem, and objects of wood and other mateials will also be available at low prices. We expect the sale to be ongoing for about a year, so come and call soon and come again later as we uncover many other things of interest to you.
